

KADRIS 4
Cloud

Easy-to-use cloud-based solution to support HR Management, Time and Attendance and Access Control

Choose from subscription plans offering reliable HR Management, time tracking and Access Control solutions. Subscription model means no upfront cost is required in purchasing software and hardware.

You can easily implement and start using the system by choosing from our cloud subscription plans, as video tutorials are available to support you. Your monthly subscription fee for the selected package will be charged based on the number of active workers in the system and covers:

- Lease fee for the cloud environment provided by any of the global cloud providers, or in ČETRТА POT's servers,
- System maintenance and upgrades,
- Data backup,
- Information security according to the ISO-27001 and 27018 standards.

From € 1.7 per user / employee per month.

More about packages and pricing on the next page ➔

Subscription model, no upfront cost involved in purchasing software or hardware!

Simple implementation!

Start using it right away with the provided video tutorials!
